You accept responsibility for the confidentiality and security of your password and agree to change your password regularly. Upon three unsuccessful attempts to use your password, your access to Electronic Services will be locked. To re-establish your authorization you must contact us to have your password reset. We recommend that you create a password that utilizes both upper and lower case alpha and numeric characters for purposes of security. Your password should not be associated with any commonly known personal identification, such as social security numbers, address, date of birth, names of children and should be memorized rather than written down. Passwords will expire every three months.

SECURITY - You understand the importance of your role in preventing misuse of your accounts through our Electronic Services and you agree to promptly examine your statement for each of your Bank accounts as soon as you receive it. You agree to protect the confidentiality of your account and account number, computer and mobile device and your personal identification information, such as your driver's license number and social security number. Your password and login ID are intended to provide security against unauthorized entry and access to your accounts. Data transferred via Electronic Services (with the exception of Text Messaging) is encrypted in an effort to provide transmission security and Online Banking utilizes identification technology to verify that the sender and receiver of Electronic Services transmissions can be appropriately identified by each other. Notwithstanding our efforts to insure that Electronic Services is secure, you acknowledge that the Internet is inherently insecure and that all data transfers, including electronic mail, occur openly on the Internet and potentially can be monitored and read by others. We cannot and do not warrant that all data transfers utilizing the Bank's Electronic Services or e-mail transmitted to and from us, will not be monitored or read by others.

FEES AND CHARGES - You agree to pay the fees and charges for your use of Electronic Services as set forth in the current fee schedule. You agree that all such fees and charges will be deducted from the Bank checking account designated as the "Primary Checking" on your Enrollment Form. If you close your Primary Checking Account, you must contact us immediately to designate another account as your Primary Checking Account. You agree to pay any additional reasonable charges for services you request which are not covered by this Agreement. You are also responsible for telephone and Internet Service fees you incur in connection with your use of Electronic Services. You will be responsible for any outstanding Online Bill Pay scheduled bills.

POSTING OF TRANSFERS - DDA and Savings transfers initiated through Electronic Services are available immediately. Electronic Services identifies transfers based upon the login ID of the user who made the electronic transfer. You agree to communicate with any other person with authorized access to your accounts concerning any transfers from your accounts in order to avoid overdrafts.

*Please see terms and conditions for Mobile Remote Deposit, Funds Transfer & Popmoney products for cutoff times pertaining to these services.

OVERDRAFTS - (Transfers and other Withdrawals and Bill Payments) - If your account has insufficient funds to perform all electronic funds transfers you have requested for a given business day, then:

- a. Electronic funds transfers involving currency disbursements, like ATM withdrawals, will have priority;
- b. Electronic funds transfers initiated through Electronic Services, which would result in an overdraft of your account may, at our discretion, be cancelled;
- c. In the event the electronic fund transfers or payments initiated through Electronic Services which would result in an overdraft of your account are not cancelled, overdraft charges may be assessed pursuant to the terms of the deposit agreement for that account.
- d. A bill pay account will be closed if collection of debit returns is unsuccessful or if fraudulent activity is identified.
- e. We may attempt to debit an account up to three times for a payment. The NSF charge is assessed for each debit return due to insufficient funds.

LIMITS ON AMOUNTS AND FREQUENCY OF ELECTRONIC SERVICES TRANSACTIONS -

The number of transfers from Bank accounts and the amounts which may be transferred are limited pursuant to the terms of the applicable deposit agreement and disclosure for those accounts. If a hold has been placed on deposits made to an account from which you wish to transfer funds, you cannot transfer the portion of the funds held until the hold expires.

CHANGE IN TERMS - We may change any term of this Agreement at any time. If the change would result in increased fees for any Electronic Service, increased liability for you, fewer types of available electronic fund transfers, or stricter limitations on the frequency or dollar amount of transfers, we agree to give you notice at least 21 days before the effective date of any such change, unless an immediate change is necessary to maintain the security of an account or our electronic funds transfer Electronic Service. We will post any required notice of the change in terms on the Bank's Online Banking website or forward it to you by e-mail or by postal mail. If advance notice of the change is not required, and disclosure does not jeopardize the security of the account or our Electronic Services, we will notify you of the change in terms within 30 days after the change becomes effective. Your continued use of any or all Electronic Services indicates your acceptance of the change in terms. We reserve the right to waive, reduce or reverse charges or fees in individual situations. You acknowledge and agree that the applicable deposit agreements and disclosures govern changes to fees applicable to specific accounts.

DISCLAIMER OF WARRANTY AND LIMITATION OF LIABILITY - We make no warranty of any kind, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose, in connection with Electronic Services provided to you under this Agreement. We do not and cannot warrant that the Electronic Services will operate without errors, or that any or all Electronic Services will be available and operational at all times. Except as specifically provided in this Agreement, or otherwise required by law, you agree that our officers, directors, employees, agents or contractors are not liable for any indirect, incidental, special or consequential damages under or by reason of any services or products provided under this Agreement or by reason of your use of or access to our Electronic Services, including loss of profits, revenue, data or use by you or any third party, whether in an action in contract or not or based on a warranty. Further, in no event shall the liability of the Bank and its affiliates exceed the amounts paid by you for the services provided to you through Electronic Services.

YOUR RIGHT TO TERMINATE - You may cancel your Online Banking and/or Online Bill Pay service at any time by providing us written notice. Your access to Online Banking and/or Online Bill Pay will be suspended within 3 business days of our receipt of your instructions to cancel the service. By cancelling these services you no longer will have access to any mobile products. You will remain responsible for all outstanding fees, charges and scheduled payments incurred for that entire month. There will be no prorating. You may cancel your Text Banking at any time by texting STOP to the Bank's short code (99588). You may cancel Mobile Banking by simply deleting the app from your device.

OUR RIGHT TO TERMINATE - You agree that we can terminate or limit your access to Online Banking Services for any of the following reasons:

- Without prior notice, if you have insufficient funds in any one of your Bank accounts. Electronic Services may be reinstated, in our sole discretion, once sufficient funds are available to cover any fees, pending transfers, and debits.
- Upon 3-business days notice, if you do not contact us to designate a new Primary Checking Account immediately after you close your Primary Checking Account.

- Upon reasonable notice, for any other reason in our sole discretion.
- 90 calendar days of inactivity will automatically terminate your Online Banking account.

CONSENT TO ELECTRONIC DELIVERY OF NOTICES - You agree that any notice or other type of communication provided to you pursuant to the terms of this Agreement, and any future disclosures required by law, including electronic fund transfer disclosures, may be made electronically by posting the notice on the Bank's Online Banking website or by e-mail. UNAUTHORIZED TRANSFERS

CONSUMER LIABILITY FOR UNAUTHORIZED TRANSFERS – Generally, tell us AT ONCE if you believe your card, code or mobile device has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you contact us within 2 business days after you learn of the loss or theft of your card and/or code, you can lose no more than \$50.00 if someone used your card, code and/or mobile device without your permission.

If you do not tell us within 2 business days after you learn of the loss or theft of your card and/or code, and we can prove we could have stopped someone from using your card and/or code without your permission if you had told us, you could lose as much as \$500.00. Also, if your statement shows transfers that you did not make including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time.

If a good reason (such as a long trip or a hospital stay) kept you from telling us, we may extend the time periods.

ADDITIONAL LIMIT ON LIABILITY FOR MasterCard® DEBIT CARD

You will not be liable for any unauthorized transactions using your MasterCard Debit Card if: (i) you can demonstrate that you have exercised reasonable care in safeguarding your card from the risk of loss or theft, and (ii) upon becoming aware of a loss or theft, you promptly report the loss or theft to us. MasterCard is a registered trademark of MasterCard International Incorporated.

CONTACT IN EVENT OF UNAUTHORIZED TRANSFER - If you believe your card and/or code has been lost or stolen, call or write us at the telephone number or address listed in this disclosure. You should also call the number or write to the address listed in this disclosure if you believe a transfer has been made using the information from your check without your permission.

ADDITIONAL RISK ASSOCIATED WITH USE OF BUSINESS PURPOSE CARDS. You will not have the benefit of any consumer law limiting liability with respect to the unauthorized use of your Card. This means your liability for the unauthorized use of your Card could be greater than the liability in a consumer debit card transaction. You accept and agree to undertake the additional risk and greater measure of liability associated with the use of business purpose cards as described in this Agreement.

YOUR LIABILITY FOR UNAUTHORIZED TRANSFERS. You are liable for Card transactions you do not authorize if we can prove that we processed the transaction in good faith and in compliance with a commercially reasonable security procedure to which we both agreed, unless otherwise required by law. Tell us AT ONCE if you believe your Card and/or code has been lost or stolen. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If your Card and/or code is lost, stolen, or used without your permission, you agree to notify us immediately and to promptly confirm such notice in writing. Your liability for transactions with your Card and/or code will continue until 2 business days after the day we receive such written notice. If you do not notify us within 60 days from when the periodic statement containing an unauthorized transaction was first mailed or made available to you, we will be entitled to treat the information in the periodic statement as correct, and you will be precluded from asserting otherwise.

ADDITIONAL LIMIT ON LIABILITY. You will not be liable for any unauthorized transactions using your Card if: (i) you can demonstrate that you have exercised reasonable care in safeguarding your card from the risk of loss or theft and (ii) upon becoming aware of a loss or theft, you promptly reported the loss or theft to us. "Unauthorized use" means the use of your Card by a person, other than you, who does not have actual, implied, or apparent authority for such use, and from which you receive no benefit. This additional limitation on liability does not apply to transactions not processed by MasterCard®.

CONTACT IN EVENT OF UNAUTHORIZED TRANSFER. If you believe your Card and/or code has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call or write us at the telephone number or address listed in this disclosure.

CONSEQUENTIAL DAMAGES. We will not be liable for any consequential or incidental damages resulting from the unauthorized use of your Card.

If we need more time, however, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. For transactions not processed by MasterCard® we will investigate the matter and notify you of the results within a reasonable amount of time. The exact time will depend on the specific circumstances of the error or problem. You may ask for copies of the documents that we used in our investigation.

Safeguard exceptions. In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,000.00 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

Hold on Other Funds

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

If we accept for deposit a check that is drawn on another bank, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

Deposits at Automated Teller Machines

Funds from any deposits (cash or checks) made at automated teller machines (ATMs) we do not own or operate will not be available until the fifth business day after the day of your deposit. Funds from any deposits (cash or checks) made at automated teller machines (ATMs) we own or operate will not be available until the first business day after the day of your deposit. All ATMs that we own or operate are identified as our machines.

Special Rules for New Accounts

If you are a new customer, the following special rules will apply during the first 30 days your account is open:

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000.00 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$5,000.00 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000.00 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the ninth business day after the day of your deposit.
