

MOBILE REMOTE DEPOSIT SERVICES AGREEMENT

Mobile Remote Deposit (Mobile Deposit) is designed to allow you to make deposits of checks ("original checks") to your accounts from home or other remote locations by scanning the original checks and delivering the digital images and associated deposit information ("images") to us or our processor with your Mobile Device. After you login to Mobile Banking, you may apply for Mobile Deposit.

Customer is responsible for any text messaging or data rates that would apply.

Agreement. This Agreement is a contract which establishes the rules which cover Mobile Deposit to your accounts at Iroquois Federal Savings and Loan Association ("Bank"). By using the aforementioned services you accept all the terms and conditions of this Agreement. Please read it carefully. We reserve the right to modify the Agreement at any time.

Limits. We may establish limits on the dollar amount and/or number of items or deposits from time to time. If you attempt to initiate a deposit in excess of these limits, we may reject your deposit. If we permit you to make a deposit in excess of these limits, such deposit will still be subject to the terms of this Agreement, and we will not be obligated to allow such a deposit at other times.

Eligible items. You agree to scan and deposit only checks (*i.e.*, drafts drawn on a savings and loan, bank or credit union and payable on demand.)

You agree that you will not use Mobile Deposit to deposit:

- Checks payable to any person or entity other than the person or entity that owns the account that the check is being deposited into.
- Checks payable jointly, unless deposited into an account in the name of all payees.
- Checks that contain evidence of alteration, or that you know or suspect, or should know or suspect, are fraudulent or otherwise not authorized by the owner of the account on which the check is drawn.
- Checks previously converted to a substitute check, as defined in Regulation CC.
- Checks drawn on a financial institution located outside the United States.
- Checks not payable in United States currency.
- Checks dated more than 6 months prior to the date of deposit.
- Checks with any endorsement on the back other than that specified in this agreement.
- Checks that have previously been submitted through this service or through a remote deposit capture service offered at any other financial institution.
- Checks or items that are drawn or otherwise issued by the U.S. Treasury Department.

Requirements. Each image must provide all information on the front and back of the original check at the time presented to you by the drawer, including, but not limited to, information about the drawer and the paying bank that is preprinted on the original check, MICR information, signature(s), any required identification written on the front of the original check and any endorsements applied to the back of the original check. The image quality must meet the standards established by the American National Standards Institute, the Board of Governors of the Federal Reserve, and any other regulatory agency, clearing house or association.

Endorsements must be made on the back of the share draft or check within 1½ inches from the top edge, although we may accept endorsements outside this space. Your endorsement must include your signature and "For Mobile Deposit". Any loss we incur from a delay or processing error resulting from an irregular endorsement or other markings by you will be your responsibility.

A check payable to two payees must be endorsed by both payees. If the check is payable to you or your joint owner, either of you can endorse it. If the check is made payable to you and your joint owner, both of you must endorse the check.

Receipt of Deposit. All images processed for deposit through Mobile Deposit will be treated as "deposits" under your current Account Agreement with us and will be subject to all terms of the Account Agreement. When we receive an image, we will confirm receipt via email to you. We shall not be deemed to have received the image for deposit until we have confirmed receipt to you. Confirmation does not mean that the image contains no errors. We are not responsible for any image that we do not receive.

Following receipt, we may process the image by preparing a "substitute check" or clearing the item as an image.

We reserve the right, at our sole and absolute discretion, to reject any image for remote deposit into your account. We will notify you of rejected images.

Record Retention. After you receive confirmation that we have received an image, you must securely store the original check for 60 calendar days after transmission to us and make the original check accessible to us at our request. Upon our request from time to time, you will deliver to us within 10 calendar days, at your expense, the requested original check in your possession. If not provided in a timely manner, such amount will be reversed from your account. Promptly after such period expires, you must destroy the original check in a manner that renders it useless and no identifying information can be obtained from it. *After destruction of an original check, the image will be the sole evidence of the original check.*

You agree that you will never re-present the original check. You understand that you are responsible if anyone is asked to make a payment based on an original check that has already been paid.

Establish Deadlines. Files received in the Bank processing queue by 3:30 p.m. Central Time will be processed the same day. All files received after 3:30 p.m. Central Time may be processed the next business day. Bank reserves the right to change the processing deadlines.

Funds Availability. Funds will be available as described in our funds availability disclosure.

Collection of Checks. Bank is providing an electronic service for collection of checks and is not responsible for the available balance of any account for which a check is presented.

Returned Deposits. Any credit to your account for checks deposited using Mobile Deposit is provisional. If original checks deposited through Mobile Deposit are dishonored, rejected or otherwise returned unpaid by the drawee bank, or are rejected or returned by a clearing agent or collecting bank, for any reason, including, but not limited to, issues relating to the quality of the image, you agree that an original check will not be returned to you, but that we may charge back the amount of the original check and provide you with an image of the original check, a paper reproduction of the original check or a substitute check. You will reimburse us for all loss, cost, damage or expense caused by or relating to the processing of the returned item. Without our approval, you shall not attempt to deposit or otherwise negotiate an original check if it has been charged back to you.

We may debit any of your accounts to obtain payment for any item that has been rejected or returned, for any adjustment related to such item or for any warranty claim related to such item, whether or not the rejection, return, adjustment or warranty claim was made timely.

Fees. A fee may be charged for the Service. You are responsible for paying the fees for the use of the Service. Any fee that is charged will be disclosed prior to your deposit. Bank may change the fees for use of the Service at any time. You authorize Bank to deduct any such fees from any Bank account in your name.

If your payment is returned unpaid, you authorize us to collect a fee as stated in our Schedule of Fees.
