The mission of Iroquois Federal Foundation, Inc. (the “Foundation”) is to provide financial support to charitable and community service organizations in the communities in which Iroquois Federal (the “Bank”) operates. The Foundation is dedicated completely to community activities and the promotion of charitable causes.

The Foundation has identified five areas that it will emphasize in supporting:

- ❖ **Affordable Housing**-- Programs that provide affordable or low income housing and supports the Bank’s community reinvestment initiatives.
- ❖ **Education**-- Initiatives at schools that raise the aspirations of students, enhance their knowledge and support the education process.
- ❖ **Health and Human Services**-- Programs essential to underlying medical care, as well as initiatives that focus on physical and mental wellness.
- ❖ **Youth Programs**-- Programs that assist in improving the quality of life for children.
- ❖ **General Community Improvement** – Programs and projects that improve the community assets and organizations in the Bank’s core market areas.

Grant requests that provide services that revitalize or stabilize low- and moderate-income areas, designated disaster areas, or distressed or underserved nonmetropolitan middle income geographies or provide services to low- and moderate-income persons in the Bank’s core market areas may be given higher consideration.
